## **THE EVOLUTION OF MARBLE BEGINS WITH ENDLESS.**

Endless represents the marble trend that has come to stay as one of the pillars of decoration in recent years. The great growth of ceramic marbles also shows how much they have evolved and how they continue to be one of the all-time favourites for interior design and architecture projects.

**SURFACE EXPLOIT ALL  
ARCHITECTURAL  
AND CREATIVE POTENTIAL.**

The Endless collection draws its inspiration from the extraordinary expressive power of concrete and stands out for a wide range of sizes that increase designs' potential. Strong shade variation, sharp patterns and a high tactile vocation transmit a vibrant and modern atmosphere to interiors.
