

LUXERA  
SURFACE

CRAFTING THE ERA OF LUXURY

600x1200MM

Made In India, Global Excellence.

× Surface Introduction

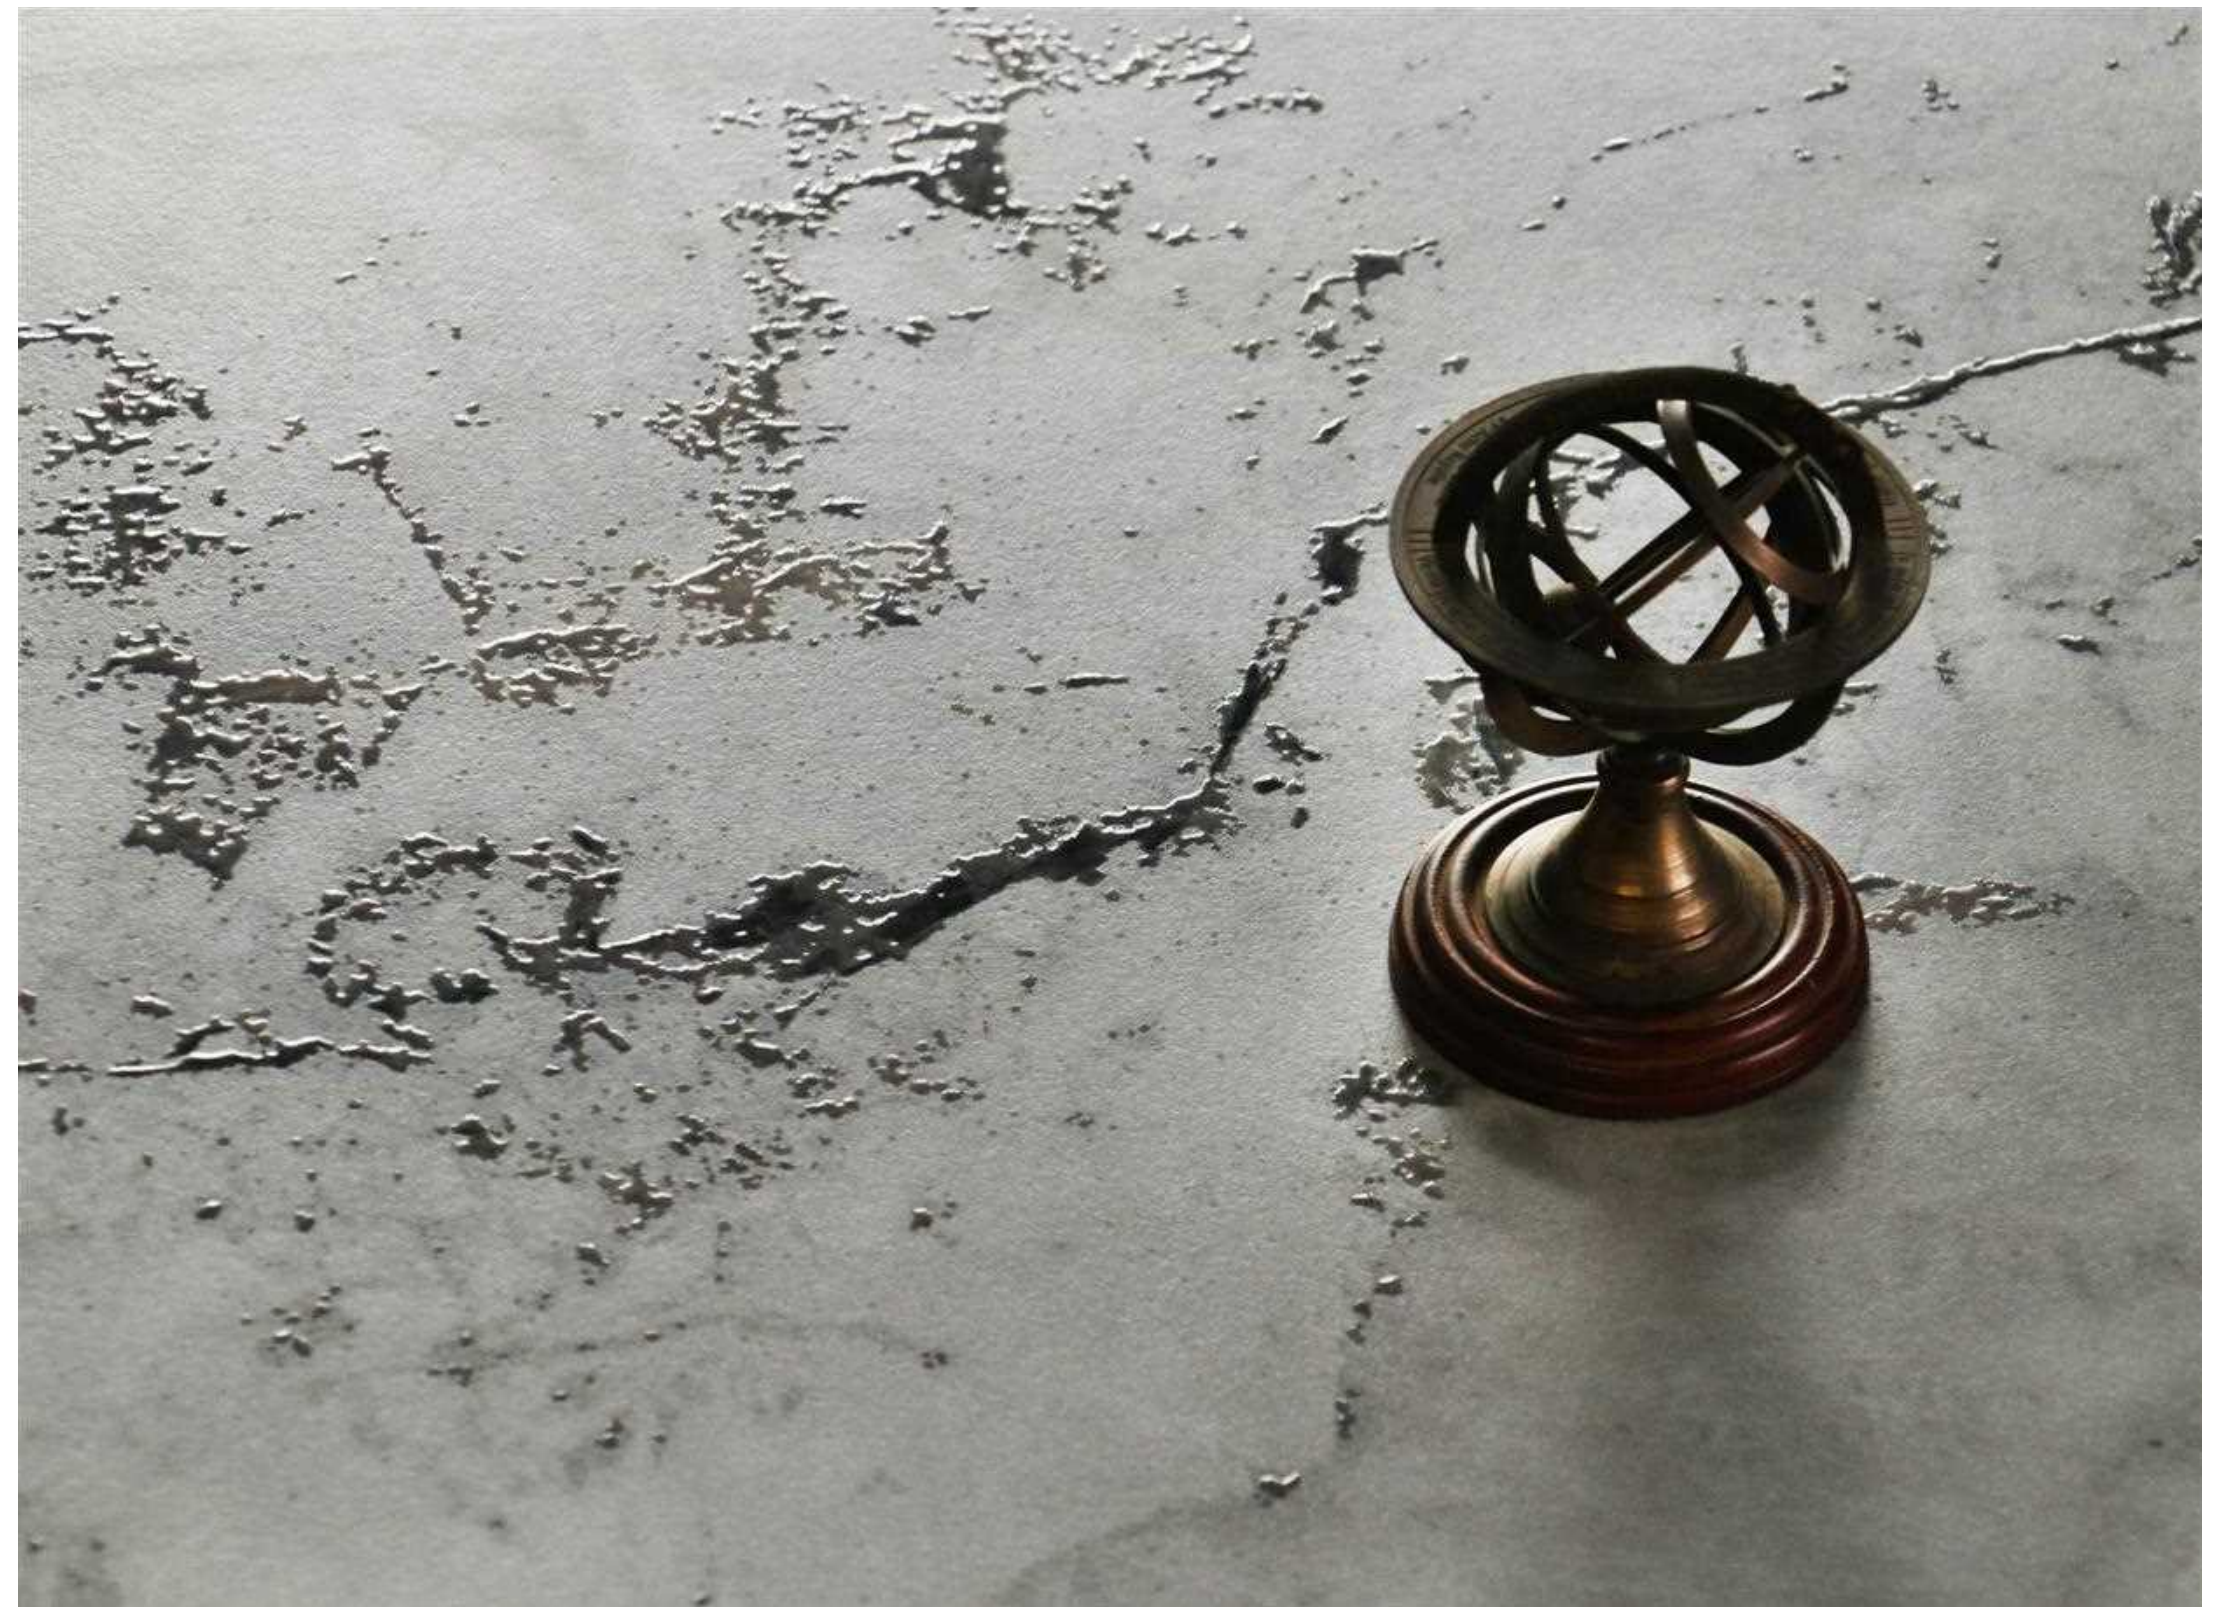

This collection is  
Made with the exclusive  
System Ceramics technology

With Tow Digital  
Advance Technologies Plant

## FROM AESTHETIC SPLENDOR TO UNPARALLELED PERFORMANCE

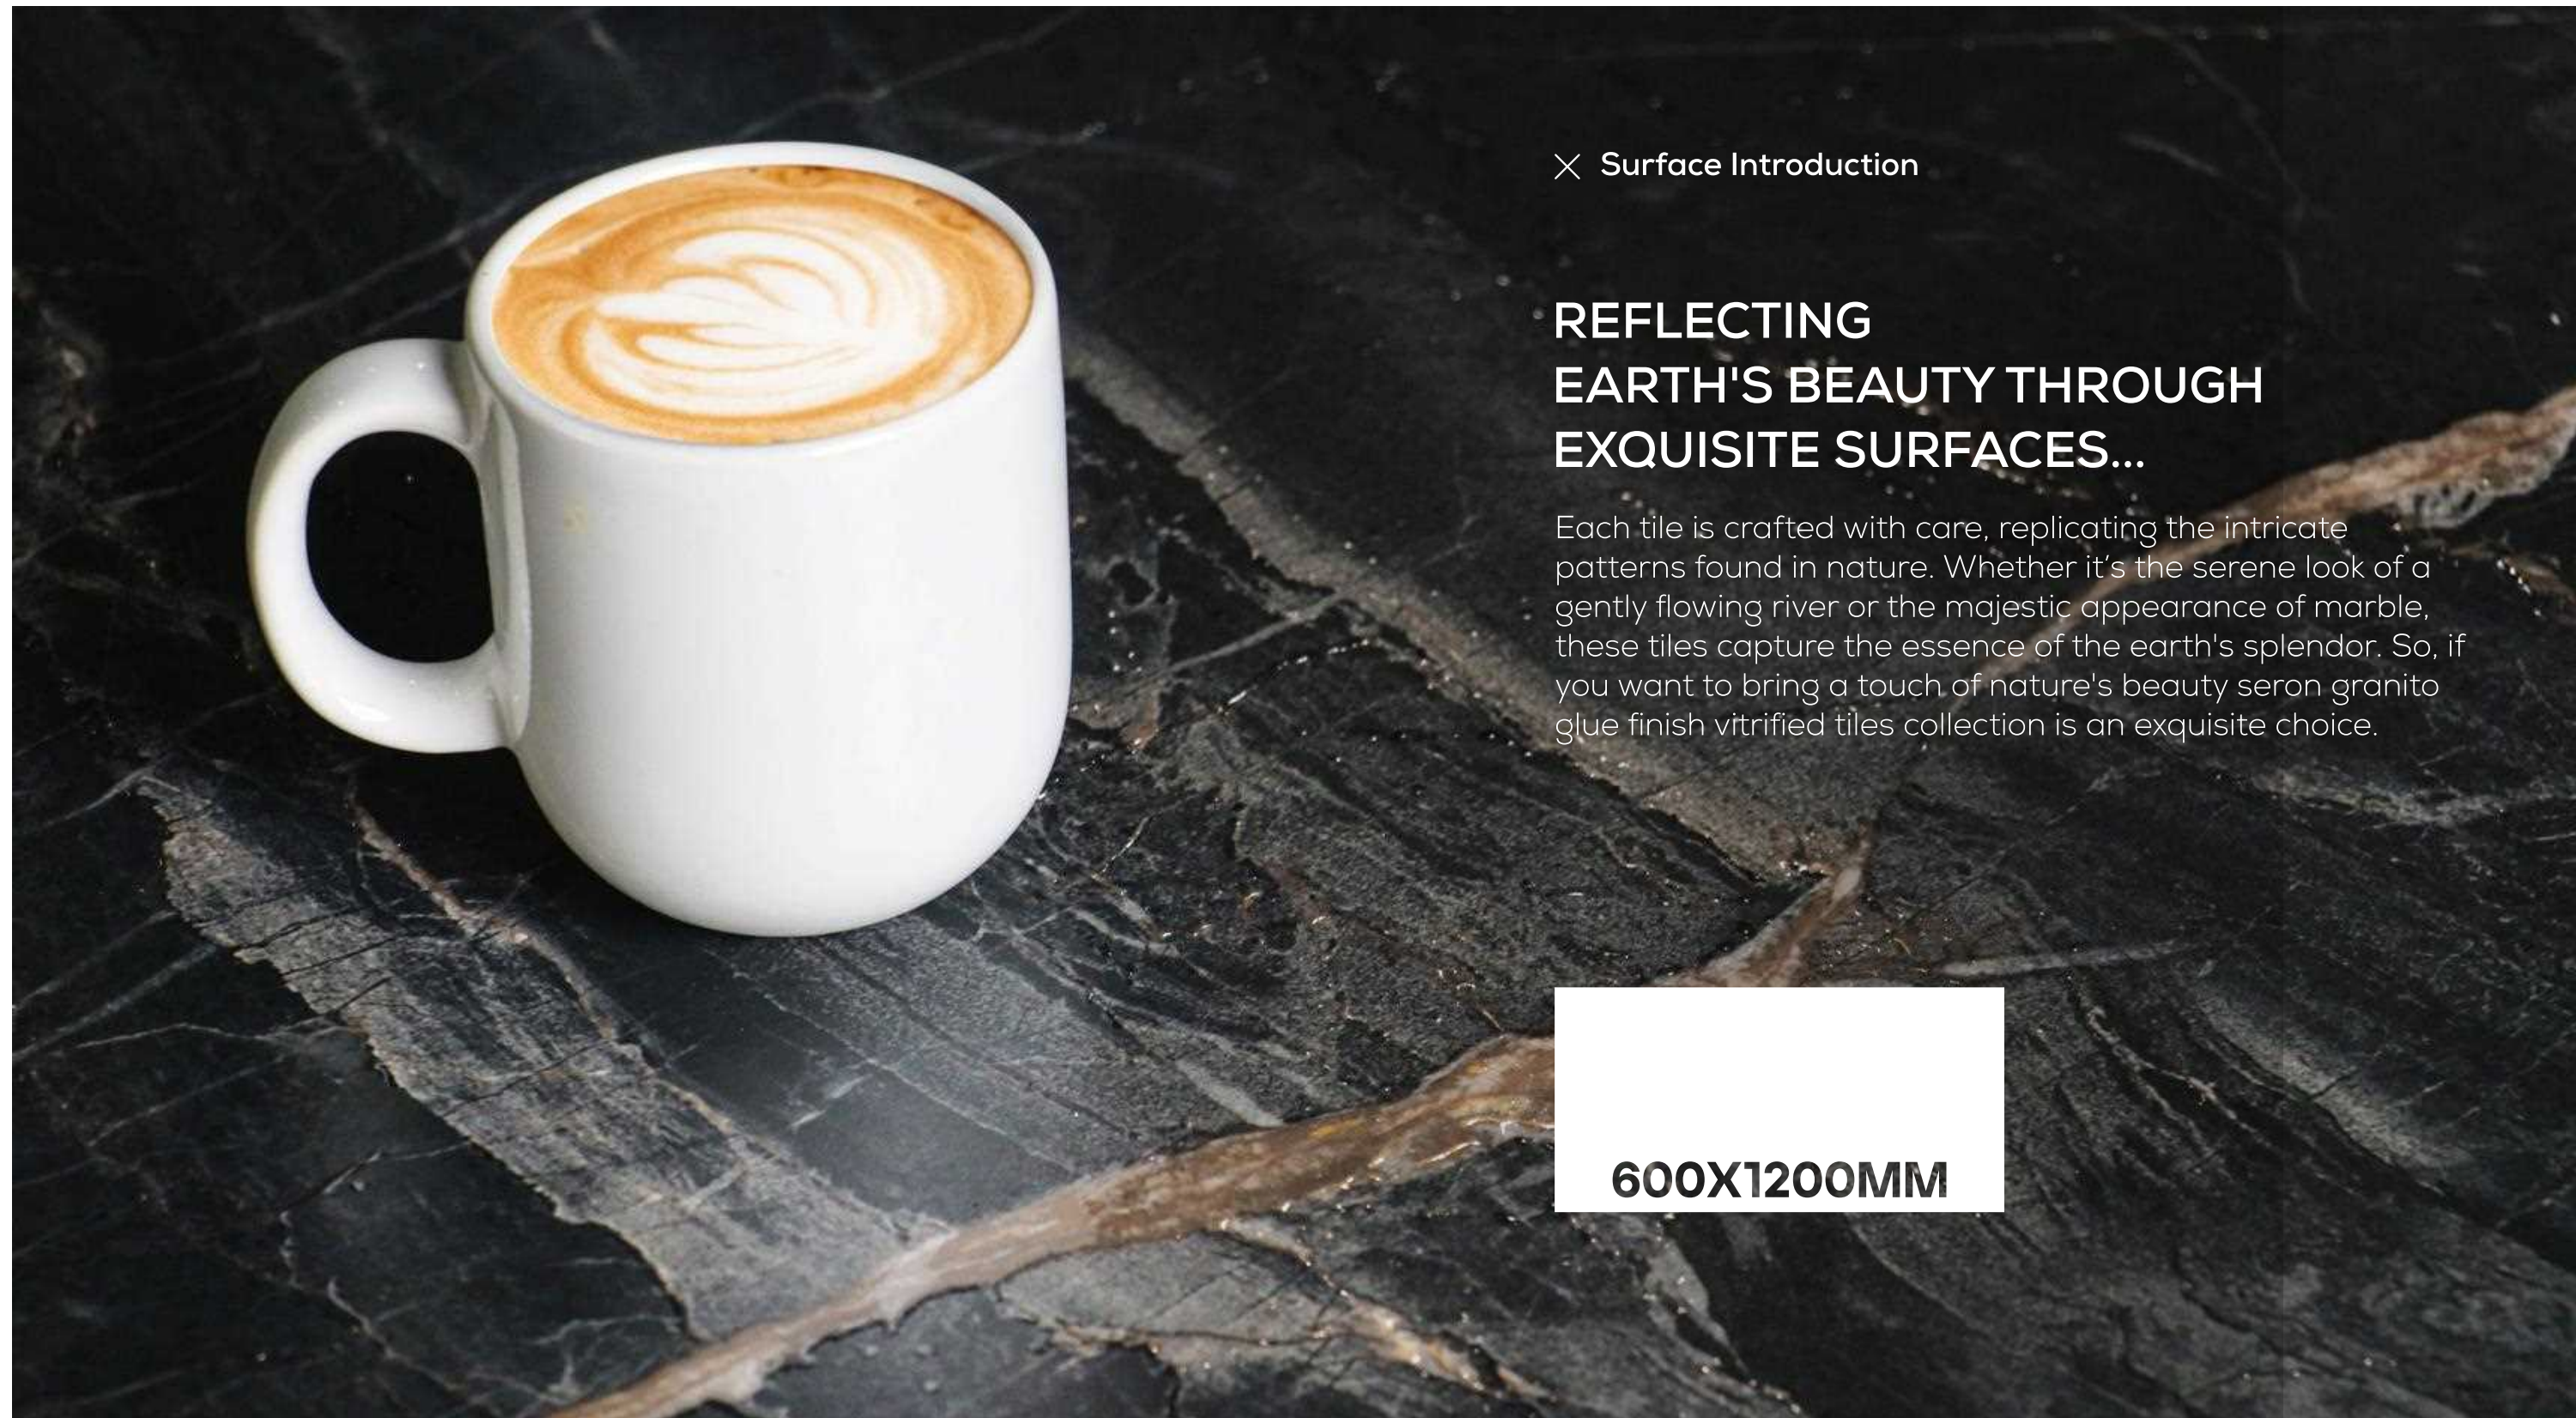

We use Exclusive System Digital Advance Technologies to produce the glue vitrified collection. This state-of-the-art manufacturing facility utilizes the latest digital technologies to ensure the highest precision and efficiency in the production process. Each tile is made with the utmost care and attention, resulting in a flawless and impeccable finish.

## THE SMART CHOICE FOR SAFETY

Imagine stepping into a space that feels elegant and welcoming—that's the magic seron granito brings to the table. The digital glaze technology used in the glue vitrified collection and from high-quality porcelain makes these tiles tough, long-lasting, and easy to care for.

- It Does Not Burn
- Resistant
- Zero Pvc
- It Loves The Environment
- Recyclable
- Safe
- Long Lasting
- Hygienic
- Versatile
- Zero Voccs

× Surface Introduction

## REFLECTING EARTH'S BEAUTY THROUGH EXQUISITE SURFACES...

Each tile is crafted with care, replicating the intricate patterns found in nature. Whether it's the serene look of a gently flowing river or the majestic appearance of marble, these tiles capture the essence of the earth's splendor. So, if you want to bring a touch of nature's beauty seron granito glue finish vitrified tiles collection is an exquisite choice.
